I am on City Council in Milton and doing research on other cities in Washington State.

Would you be so kind to answer the following questions. I have found much of my questions answered through your website, municipal code, and MRSC.

1. What is Mayor base monthly salary. The Mayor receives \$500
2. Does Mayor receive benefits? If Yes, paid by city or mayor or shared. No, the Mayor does not receive benefits.
3. What is Mayor Pro Tem base monthly salary. Benefits? Paid by city, mayor pro tem, or shared? Mayor Pro Tem is paid the same as Council at \$250/month with no benefits.
4. Other Council base monthly salary. Benefits? Paid by city, councilmember or shared? All Council members are paid \$250 a month paid by the City and they receive no benefits.
5. Can you verify the number of employees? We have approximately 50
6. What is your budget 2019-2020? I have attached a copy of our 2020 Budget for you.

I do appreciate your assistance.
